## **Business Representatives Sought for BRT Corridor Advisory Committees**

The Montgomery County Department of Transportation (MCDOT) and the Maryland State Highway Administration (SHA) are seeking volunteers – residents, business owners, and community organization representatives – to serve on Bus Rapid Transit (BRT) Corridor Advisory Committees (CACs). The two agencies are seeking public input as they develop concepts for a Rapid Transit System (RTS), a network of BRT routes that is being studied along various County and State roadways. Over the next two years, four major corridors will be evaluated for RTS, including Georgia Avenue, US Route 29 (Colesville Road and Columbia Pike), Maryland Route 355 (Frederick Road, Rockville Pike and Wisconsin Avenue) and Veirs Mill Road. A CAC will be established for each corridor under study. To be eligible for consideration, CAC candidates must conduct operations along one of the RTS corridors (within 150-500 feet of a proposed corridor) and be willing to attend regular meetings (likely quarterly and in the evening). DOT and SHA have asked chambers of commerce along the proposed routes to accept nominations of business owners and to make recommendations on the proposed business representatives. Business owners and employers may nominate themselves or be nominated by others. A CAC nomination form is available on the County's website at [www.montgomerycountymd.gov/rts](http://www.montgomerycountymd.gov/rts). GSSCC members interested in being considered for one of the corridors should submit a completed nomination form to the Chamber by November 21. For more information, contact Jane at the Chamber.

## **GSSCC Joins Dozens of Maryland Business Groups to Support Question 1: The Transportation "Lock-box" Amendment**

GSSCC has joined a broad-based coalition of organizations representing key business and industry leaders to urge a vote FOR Question One in this year's general election, on Tuesday, November 4. The measure will appear on the ballot thanks to legislation spearheaded by Maryland Senate President Thomas V. "Mike" Miller and then-Delegate (now Senator) Brian Feldman, which passed both houses of the Maryland General Assembly with strong bi-partisan support in the 2013 Session. Read more [here](#). To see the Transportation Coalition Fact Sheet, go [here](#).

## **Planning Department and Councilmember Riemer Plan Charettes**

The Montgomery County Planning Department and At-Large Councilmember Hans Reimer are cosponsoring a series of "placemaking" charrettes, beginning this week, to seek input on potential improvements to areas in downtown Silver Spring. The first of the charrettes, which are open to the public, is scheduled from 7 p.m. to 9 p.m. this Wednesday, October 15, at the Planning Department Headquarters (8787 Georgia Avenue), and will explore the creation of civic space in the area adjacent to the Silver Spring Transit Center. The workshop will examine whether to install short-term green space, improvements to Gene Lynch Urban Park, a possible bicycle station, and how to improve the route for walkers between the transit center and downtown along Wayne Avenue. The second, scheduled from 5 p.m. to 7 p.m. on Wednesday, October 29, at Denizens Brewing Co. (1115 East-West Highway), will center on suggestions for the area around Ripley Street, home to new apartment residences. The last, scheduled from 11 a.m. to 1 p.m. on Wednesday, November 5, (location TBD), will focus on the Metro Plaza area. ### **GSSCC Membership Committee says "Thanks"**

GSSCC's Membership Development Committee recently undertook a "Member Appreciation Week" to say "Thank You!" to all of our members. Board and Committee members, along with Ambassadors, paid personal visits to members and delivered a special token of appreciation to say "Thanks" for helping GSSCC "Light the Way for Business" by being a member of our Chamber. Visit GSSCC's [Facebook](#) page to see photos from some of the visits.

### **Montgomery County Surveying Businesses on Economic Development**

GSSCC, along with other chambers and business groups in Montgomery County, has been invited to participate in an Economic Strategy Advisory Group to help position the County for future success and economic competitiveness. The group is focused on developing a comprehensive economic strategy that will integrate existing business, workforce, and community development strategies. Currently, the group is conducting a survey of existing businesses to gain insight about where to best focus its efforts and resources. Members are asked to please take a few minutes to complete a 12-question (mostly multiple choices) survey by this Friday, October 31. [Click here to complete the survey.](#)

### **Business Representatives Sought for BRT Corridor Advisory Committees**

The Montgomery County Department of Transportation (MCDOT) and the Maryland State Highway Administration (SHA) are seeking volunteers – residents, business owners, and community organization representatives – to serve on Bus Rapid Transit (BRT) Corridor Advisory Committees (CACs). The two agencies are seeking public input as they develop concepts for a Rapid Transit System (RTS), a network of BRT routes that is being studied along various County and State roadways. Over the next two years, four major corridors will be evaluated for RTS, including Georgia Avenue, US Route 29 (Colesville Road and Columbia Pike), Maryland Route 355 (Frederick Road, Rockville Pike and Wisconsin Avenue) and Veirs Mill Road. A CAC will be established for each corridor under study. To be eligible for consideration, CAC candidates must conduct operations along one of the RTS corridors (within 150-500 feet of a proposed corridor) and be willing to attend regular meetings (likely quarterly and in the evening). DOT and SHA have asked chambers of commerce along the proposed routes to accept nominations of business owners and to make recommendations on the proposed business representatives. Business owners and employers may nominate themselves or be nominated by others. A CAC nomination form is available on the County's website at [www.montgomerycountymd.gov/rts](http://www.montgomerycountymd.gov/rts). GSSCC members interested in being considered for one of the corridors should submit a completed nomination form to the Chamber by November 21. For more information, contact Jane at the Chamber.

### **GSSCC Joins Dozens of Maryland Business Groups to Support Question 1: The Transportation "Lock-box" Amendment**

GSSCC has joined a broad-based coalition of organizations representing key business and industry leaders to urge a vote FOR Question One in this year's general election, on Tuesday, November 4. The measure will appear on the ballot thanks to legislation spearheaded by Maryland Senate President Thomas V. "Mike" Miller and then-Delegate (now Senator) Brian Feldman, which passed both houses of the Maryland General Assembly with strong bi-partisan support in the 2013 Session. Read more [here](#). To see the Transportation Coalition Fact Sheet, go [here](#).

### **Promote Your Business by Hosting a GSSCC After-Hours**

GSSCC is now accepting applications for 2015 Business-After-Hours hosts. Only GSSCC members can take advantage of this exclusive opportunity to showcase their businesses by hosting one of the Chamber's eight regular after-hours events. The host provides the venue and refreshments and GSSCC handles the promotion, through the Chamber's regular electronic newsletter, emails to members, on the web site, and via outreach to local business media outlets. Call or email [Laura Alin](#) for more information or to schedule a GSSCC After-Hours at your business.

### **See Your Company's Logo at Every Networking Breakfast and After-Hours**

Let GSSCC highlight your company's logo on a roll-up banner displayed at each of the Chamber's regular monthly events -- the Networking Breakfast and Business-After-Hours. The Chamber is now selling positions for member-company logos on the 2015 banner, at the affordable price of \$300 for the year. The new banner will debut at the January After-Hours and be displayed at each regular networking event in 2015. That means sponsor logos will be on display near registration at 20 events during the year, for the amazingly low cost of \$15 per event. If last year is any indication, these spaces are sure to go fast, so please call Laura at (301) 565-3777, to reserve your spot.
