

Networking Breakfast Sponsorship

GSSCC is now offering members the opportunity to increase their visibility and market their companies through sponsorship of the monthly networking breakfast

Breakfast hosts give a 5-minute presentation highlighting their products or services to a captive audience of breakfast attendees.

The sponsorship also includes:

- Your business name included on email and web site promotions of the event
- Your company's promotional item or brochure at each place setting or on a designated table
- The opportunity for one representative to be the official greeter and hand out business cards to each guest at registration
- Set of mailing labels for breakfast attendees

Guidelines:

- Host fee of \$300 must be paid in full prior to event and covers breakfast charge for one representative. (Additional representatives charged at the member rate of \$20 each)
- Hosting opportunities are limited to members promoting products or services for sale. No promotions for fundraising will be allowed.
- Member companies must be in good standing and are typically limited to one host sponsorship per calendar year.
- Please call the Chamber office at (301) 565-3777 to check for availability.
